All Is Well

*“Death is nothing at all, I have only
slipped away into the next room.*

I am I, and you are you.

Whatever we were to each other, that we still are.

*Call me by my old familiar name,
speak to me in the easy way which you always used.*

*Put no difference in your tone,
wear no forced air of solemnity or sorrow.*

*Laugh as we always laughed at the
little jokes we enjoyed together.*

*Let my name be ever the household word
that it always was, let it be spoken without effort,
without the trace of a shadow on it.*

Life means all that it ever meant.

*It is the same as it ever was;
there is unbroken continuity.*

*Why should I be out of mind just
because I am out of sight?*

*I am waiting for you, for an interval,
somewhere near, just around the corner.*

All is well”.
