

*No! I will have no regrets  
For the seed that is new  
It's the love that is growing for you*

The family thank you for the heartfelt displays of sympathy  
and support you have shown to them at this time.

## The Pearl

*Tell Thou my friends when weeping  
They my words decry  
Here you find my body sleeping  
It is not I*

*Now in life immortal hovering  
Far away I roam  
This was my house, my covering  
'Tis no longer my home*

*This was but a cage that bound me  
I, the bird am flown  
This was but the shell around me  
I, the pearl am gone*

*Over me as over a treasure  
Hath a spell been cast  
God has spoken at his leisure  
I AM FREE AT LAST!*
