She Is Gone

*You can shed tears that she is gone
or you can smile because she has lived.*

*You can close your eyes and pray that she'll come back
or you can open your eyes and see all that she has left.*

*Your heart can be empty because you can't see her
or you can be full of the love you shared.*

*You can turn your back on tomorrow and live yesterday
or you can be happy for tomorrow because of yesterday.*

*You can remember her and only that she has gone,
or you can cherish the memory and let it live on.*

*You can cry and close your mind, be empty and turn your back,
or you can do what she'd want:*

Smile, open your eyes, love and go on.
