Not long ago
We met and said hello
The day you'd have to go
Seemed far along the road

But suddenly it's here
The time to leave is near
Tomorrow, you'll be gone
I can't hold back the tears

Hold me in your arms for one last time
Before you go
Don't let the feeling die we're feeling now
Just always know

Best friend of mine
And one I love the most
Life just won't be the same
Not having you here close

Until we meet again
And hold each other tight
We'll keep our dreams alive
And eternity in sight
